For cancellations received within 7-13 days of course commencement 50% of the course fees will be refunded. For cancellations of less than 7 days no refund is given.

Cancellation After Arrival: Once a student has commenced their course at the Institute they are obliged to complete their full course of study. The full course of study is defined as the initial enrolment period. No refund will be given for course fees if a student withdraws from the course before the completion of the full course of study.

If a student wishes to change the course they are attending it may be possible to change to an alternative course or programme of the same value, depending on availability. Students cannot change from group tuition to individual tuition. No refunds can be given for course changes including changes to a less intensive course.

Students who have obtained an extension to their visa as a result of a course extension cannot cancel that extension and will not be entitled to any refund.

Refunds will be processed by our Accounts Department within 15 working days of receiving the request.

2. Visa and Immigration Guidelines - Ireland

Students requiring a Visa to study in Ireland should contact the nearest Irish embassy for detailed information and allow at least two months to process Visa applications. We can assist with the application procedures for the Visa when required. All fees must be paid in advance and an invitation letter with details of the transfer will only be issued once the funds have been received in full by bank transfer. If original copies of documents are required from ECI they can be sent by mail free of charge or by courier for a fee of €65. Students who experience delays in having their visa issued can postpone their course.

Visa Refusals: We will refund all prepaid money minus €150 for administration costs on all visa refusals, within 15 working days of receiving the request. Written proof of the visa refusal from the Embassy is required.

A fee of €300 is payable to the Immigration Bureau by students on their initial registration and students will also be charged €300 for any extension of their immigration period. (The registration fee quoted is €300 at time of printing, but may be subject to change).

All non-EU students registered for courses over 12 weeks in length are obliged to register, pay for and sit an approved English-language examination. An examination deposit of €100 is required at the time of booking for all non-EU students who will remain in Ireland for over 90 days.

3. Holidays for long-term students - Ireland

Students are permitted to take holidays depending on the duration of their course. The following regulations apply:

To request a holiday, students should contact the admissions department at least 2 weeks in advance. Non-EU students must schedule all holidays before they register with the GNIB. Unscheduled breaks in study are not permitted except in exceptional circumstances.

The minimum holiday period permitted is 2 weeks

- Holidays cannot be taken in the middle of a week (must be booked from Monday to Friday)
- Holidays cannot be taken during the first 8 weeks of a student's course and cannot exceed 1/3 of the total weeks already studied
- Upon returning from a holiday, students may have to take a level test before being placed in a class
- In the interest of the student's academic progress, only one holiday is permitted during any 12 week period

- Where possible, students are advised to take holidays only on completion of their current level.

Course weeks booked	Holidays permitted
12 weeks	1 holiday period
25 weeks	2 holiday periods
48+ weeks	3 holiday periods

Unless accompanied by an adult, students under 18 must book and pay for transfers on arrival and departure. Missed transfers are non-refundable.

9. Discipline

If students' behaviour or conduct is unsatisfactory, they will be subject to the School's disciplinary procedures. A serious breach of conduct may result in expulsion. In the event of an expulsion, fees are not refunded. Additional charges for flights and other costs will not be covered by the school and are the responsibility of the student or, in the case of underage students, their parents/guardians.

10. Insurance – Ireland

Students must arrange appropriate medical, travel and personal insurance. Students travelling from EU countries should bring their European Health Insurance Card with them. This only entitles students to emergency hospital care and attendance at certain doctors. Please note that this will not cover elective procedures or dental visits. To comply with immigration guidelines, all non-EU students are required to have medical insurance valid for their entire stay in Ireland. We can organise medical insurance for non-EU students at a cost of €110 per year. Students are not insured by the school or by the family, against accidents, illness, theft or loss of personal effects, and the school accepts no responsibility in the event of such occurrences.
