VALLETTA  
MALTA

# I LIKE **EASY** SCHOOL BECAUSE...

"... they have great teachers and the location is fantastic - in the heart of Valletta, the capital and one of the most beautiful cities of Malta. It also gave me an opportunity to meet people from all over the world".

**MARIANA PACHECO**  
BRAZILIAN JOURNALIST

"... I've been taught the real spoken English, which is completely different from the scholastic one that you can learn in Italy. Teachers are skilled and classes are very interesting. It has also been a great opportunity to meet other foreign students, with whom I made friends while practicing my English. These are the experiences which make you become a "citizen of the world".

**MARCO MAFFEO** ITALIAN STUDENT

"... the staff is really friendly and I have made good friendships with other students. My study stay was a fantastic experience for me".

**JINHYUK KIM**  
KOREAN STUDENT

"... it offers excellent educational opportunities for teenagers and adults. Professional teachers, great courses and an ideal location in the heart of Valletta make Easy School a perfect choice for English learners. I've already been to Easy School five times - I've attended a teachers' development course twice and I've brought my students three times for a General English course."

**MARCIN PASNIKOWSKI** POLISH TEACHER

"My students were really excited - going to school by ferry, walking around the impressive town, and were welcomed with a party. They were taught by experienced teacher in an interesting way with many communicative activities and it was a lot of fun. Staying at host families gave them another possibility for experiences. After classes, they visited places of interest and went on trips and cruises. Of course, they enjoyed the beach and the sea a lot as well. All was excellent. The school staff and management were always helpful, very kind and patient."
